PART III
NARRATIVE

State below in reasonable detail the reasons why Forms 10-K, 20-F, 11-K, 10-Q, 10-D, N-CEN, N-CSR, or the transition report or portion thereof, could not be filed within the prescribed time period.

PureCycle Technologies, Inc. (the "Company") has determined that it is unable, without unreasonable effort or expense, to file its Annual Report on Form 10-K for the fiscal year ended December 31, 2022 (the "Form 10-K") by the prescribed due date for the reasons described below.

On October 7, 2020, the Southern Ohio Port Authority ("SOPA") issued certain revenue bonds (the "Revenue Bonds") pursuant to an Indenture of Trust dated as of October 1, 2020, between SOPA and UMB Bank, N.A., as trustee ("Trustee"), and loaned the proceeds from their sale to PureCycle: Ohio LLC, an Ohio limited liability company and indirect wholly-owned subsidiary of the Company ("PCO"), pursuant to a loan agreement dated as of October 1, 2020 between SOPA and PCO ("Loan Agreement"), to be used to, among other things, acquire, construct and equip the Company's first commercial-scale recycling facility in Lawrence County, Ohio (the "Ironton Facility").

Under the terms of the Loan Agreement, the Company was required to cause the Ironton Facility to be completed by December 1, 2022 (the "Outside Completion Date"). The Ironton Facility was not completed by the Outside Completion Date due to challenges resulting from, among other things, delays in the delivery of critical components, shortages of material, equipment or labor, increased costs and general supply chain issues, each as a result of the COVID-19 outbreak and the ongoing military conflict between Russia and Ukraine, and certain U.S. weather-related events. The Company is engaged in negotiations with a group of bondholders holding approximately 70% of the outstanding Series A bonds (such series representing just under \$220,000,000 of the total \$249,550,00 principal amount of the Revenue Bonds) and 100% of the outstanding Series B bonds (such series representing \$20,000,000 of the total \$249,550,000 principal amount of the Revenue Bonds) concerning whether there has been a default under the Loan Agreement as a result of the delay in the completion of the Ironton Facility and, if so, whether the parties can reach an agreement on a revised time table for the Outside Completion Date and other Loan Agreement-related milestones and matters.

As a result of the uncertainties relating to the foregoing and the negotiations, the Company requires additional time to finalize the financial statements and related information included in the Form 10-K. The Company is working diligently to complete the Form 10-K as soon as possible; however, the Company is unable to complete and file the Form 10-K by the required due date of March 1, 2023 without unreasonable effort and expense.
